No.2495 見守り_Warding

No.701, Worlds Out There

What is there outside of the world that I can recognize now?

There could be a series of multi-layered worlds out there.

Groningen; 12:27, 6/20/2021

No.702, Free From a Cage

Making a poem is an essential rest for my soul.

It emancipates me from a cage of constraints of everyday language.

Poetry makes my imagination free.

Groningen; 06:02, 6/21/2021

No.703, An Essential Revolution

I wish a revolution will come not from the human level but from the transcendental level.

An essential revolution is not terrestrial but celestial.

Groningen; 10:44, 6/21/2021

No.704, Terror of Infinity

People tend to yearn for eternity,

But they overlook the fathomless terror of infinity.

Once we go through a gate of infinity, we will know and experience the true horror of the infinite hell.

Groningen; 07:06, 6/22/2021

No.705, Preciousness

Everyday is a series of journeys.

Even if it looks ordinary, it consists of unique moments that would never come again.

Knowing it, everyday looks really precious however mundane it is.

Groningen; 21:42, 6/22/2021

No.706, Irrationality & Transcendental Existence

Irrationality is a proof that something transcendent truly exists.

Transcendental existence is always over our rationality.

Groningen; 06:40, 6/23/2021

No.707, Gratitude & Vitality

A feeling of gratitude is the fundamental source of my activities.

It always transforms itself into vitality.

Groningen; 08:35, 6/24/2021

No.708, An Eternal Ring

Life, life, and life.

Everyday is an infinite sequence of life.

The shape is not a straight line but a circle.

Life is an eternal ring.

Groningen; 21:03, 6/24/2021

No.709, How Can We Respond?

A crystal-clear sky is smiling to the entire world.

How can we respond to it?

Groningen; 07:06, 6/25/2021

No.710, Money & Technology

Money and technology are omnipresent in our daily life.

They strongly affect the way of our life and deeply construct our reality.

My current research focuses are philosophy and theology of money and those of technology.

I'm rigorously reading books about the themes everyday, which would enable me to contribute to emancipating people from constraints of money and technology.

Groningen; 21:51, 6/25/2021

No.711, An Omen

A tranquil Saturday morning has come.

It presages that today will be fruitful.

My today's work will also be productive.

Groningen; 07:24, 6/26/2021

No.712, Our Authentic Time

Where is our authentic time?

Our daily time could be commodified and monetized.

It is even technologically manipulated.

Where is our genuine time?

Groningen; 06:24, 6/27/2021

No.713, Lost Humanity

All of us might be lost in the demi-reality.

We see delusions and illusions all the time.

The situation makes us more and more inhuman.

We may have lost humanity long time ago.

Groningen; 06:27, 6/27/2021

No.714, Artificial Intelligence & Artificial Unintelligence

The progress of artificial intelligence is remarkable.

On the other hand, modern people become less and less intelligent.

Ironically, it happens artificially.

Thus, the phenomenon might be called "artificial stupidity" or "artificial unintelligence."

Groningen; 09:07, 6/27/2021

No.715, An Imagined Reality and the Real

I can imagine anything.

My imagination generates a new imagined reality.

It is also in the domain of the real.

Groningen; 11:27, 6/27/2021

No.716, Ultimate Bliss

A little bird is in nirvana.

Its song induces the world to feel ecstasy.

Everything is dissolved into ultimate bliss.

Groningen; 06:13, 6/28/2021

No.717, The Liquified Society

The society becomes liquified more and more in a negative sense.

Something important is melting down.

Fathomless darkness will appear from the below of melted ice bergs.

Groningen; 21:52, 6/28/2021

No.718, A Roulette of Life

A roulette of life started to spin again.

It has infinite numbers, and it is unknown which number shows up.

Yet, the roulette does exist there.

Life is both indeterministic and deterministic.

Groningen; 07:16, 6/29/2021

No.719, Efflux and Influx

Silent efflux emerges out of nothing.

It becomes precious influx for me.

Both efflux and influx are one eternal circle.

Groningen; 21:59, 6/29/2021

No.720, A Healing Massage in a Dream

I got a massage in a dream this morning.

I became totally relaxed, and my dream body was completely healed.

Because the dream body and the real body are closely connected, my real body may have wanted a massage.

Anyway, today's dream gave me a somatic message through a healing massage for the dream body.

Groningen; 05:58, 6/30/2021

No.721, A Lava Zone & Novelty

A lava zone in the unconsciousness is emerging.

The intense energy continues to create something new.

Every newness becomes myself, then I become new.

Life is a continuous process of creating novelty.

Groningen; 21:51, 6/30/2021

No.722, Cross of Two Parallel Worlds

Two parallel lines cannot cross in Euclidean geometry.

However, they can cross in non-Euclidean geometry.

I'm wondering the possibility that two parallel worlds can cross.

Groningen; 06:59, 7/1/2021

No.723, Trans-Individuals

Some individuals can be trans-individual whereas others cannot.

What is the difference?

Groningen; 21:59, 7/1/2021

No.724, Morning Nature

I can hear a silent call from morning nature.

It continues to come and go.

Nature always speaks to us.
What kind of message do we receive today?
Groningen; 09:09, 7/2/2021

No.725, Music and Time
Music can create unique time and transform ordinary time.
We can regain rich time by music.
Groningen; 15:22, 7/2/2021

No.726, My Fearless Soul
Where does my soul go?
Nobody knows.
Yet, the spirit knows.
My soul goes where the omniscient spirit knows.
Therefore, my soul doesn't have to fear anything.
Groningen; 21:57, 7/2/2021

No.727, Breathing In and Out
I'm breathing in gold air.
I welcome the influx of the spirit.
All I have to is breathe in the pure spirit and breathe out the creative spirit.
Groningen; 06:20, 7/3/2021

No.728, A Chimera
A chimera is flying in the sky.
A rainbow road appears above the creature.
I'm the person to see the entire picture.
Groningen; 21:48, 7/3/2021

No.729, Prerequisite for Good Music
Musical notes are shaking hands with one another.
That is a prerequisite for good music.
Groningen; 21:52, 7/3/2021

No.730, Great Evil
Today's dream represented the existence transcending good and evil.
A symbolic creature in human shape stood for good, yet it also looked evil.
The other creature was in human shape, too, and it symbolized evil.
For me, it seemed that both were evil and fought each other with tremendous power in order to transcend themselves to something bigger.
Groningen; 06:14, 7/4/2021

No.731, The Unmovable Divine Place
It comes from somewhere.
Then it goes somewhere.
Somewhere is the unmovable divine place.
Groningen; 21:51, 7/4/2021

No.732, Time and Death

How can we experience time and death?

Perhaps, we cannot do.

Time and death might be phenomena that we never experience.

Groningen; 07:24, 7/5/2021

No.733, Money and Technology

Money and technology are like air and water.

They are omnipresent in our life.

As Plato pointed out, they are pharmakon in that they can be remedy and poison for us.

Groningen; 07:28, 7/5/2021

No.734, Bright Yellow Light

I perceived bright yellow light before I woke up this morning.

It came to the point of the third eye.

The light was very warm and comfortable.

It felt like as if it was opening my third eye gently.

Groningen; 05:46, 7/6/2021

No.735, Externalization

Our body, sense, and memory are extending to the outer world day by day.

The externalization creates a new human species.

What kind of new inner reality do we experience in the future?

Groningen; 08:58, 7/6/2021

No.736, A Guardian for My Symbolic World

A guardian who protects my symbolic world from enemies in the external world is always with me.

Without its protection, my symbolic world would be easily penurious.

How do modern people protect their precious symbolic world?

Groningen; 21:48, 7/6/2021

No.737, The Source of the Novelty of My Existence

A series of new ideas and senses come to me faster than light.

They constantly emerge from somewhere inside or above myself.

The place is the source of the novelty of my existence.

Groningen; 07:53, 7/7/2021

No.738, Transconstruction

The cycle between deconstruction and reconstruction continues to repeat.

All of a sudden, the cycle generates transconstruction.

Groningen; 21:57, 7/7/2021

No.739, Heidegger and Marcuse in a Dream

In the dream that I had last night, Heidegger and Marcuse showed up.

Fortunately, I talked with them about philosophical issues.

Since I've seriously researched on the philosophy of technology recently, if they appear in my dream again, I want to discuss the theme with them.

Heidegger and Marcuse in the dream would be symbols that facilitate and navigate my research.

Groningen; 06:11, 7/8/2021

No.740, A Symbolic Forest

I'm enjoying creative exploration in a symbolic forest everyday.

In the forest, an infinite number of symbols emerge constantly.

I appreciate every encounter with a symbol, walking in the forest.

I'm a symbol creator for the world and the entire universe.

Groningen; 06:53, 7/8/2021

No.741, Human Spirituality in the Era of Post-Humanism and Trans-Humanism

I'm wondering what kind of effects post-humanism and trans-humanism have on our spirituality.

What would change and unchange?

Groningen; 21:57, 7/8/2021

No.742, Transhumans

The human race has always transcended itself through the history.

Yet, the next transcendent would be a huge leap.

Transhumans may not be regarded as humans anymore.

Or they may not regard us as humans.

Groningen; 06:48, 7/9/2021

No.743, A Colony of Time

Modern finance is always oriented toward the future.

It affects our daily life in that we are unconsciously confined in a colony of time which cannot allow us to stay in the here and now.

We have to liberate ourselves from the colonization and victimization.

Groningen; 16:23, 7/9/2021

No.744, Congratulations

Oh, you found it.

Congratulations!

That's your true nature.

That is the ground state of your being.

Groningen; 19:45, 7/9/2021

No.745, Virtue and Vice

We have to emancipate vice from its evil nature instead of expelling it.

If that happens, we can find intrinsic virtue within vice.

Groningen; 19:50, 7/9/2021

No.746, The Integration between a Dream and a Reality

A dream melts into a reality and vice versa.

Both are integrating into one.

What will come up after the integration?

Groningen; 05:30, 7/10/2021

No.747, This Colorful World

Various colors are enjoying communicating with one another.

Their communications make the world so colorful.

This world is made of their existence and interactions.

Groningen; 21:47, 7/10/2021

No.748, Power of The Unconsciousness

A dream that I have everyday gives me a number of meanings.

Also, it navigates my life in the right direction.

The unconsciousness creating a dream may have such power.

Groningen; 06:56, 7/11/2021

No.749, The Incarnation of the Creator

I'm the incarnation of the creator to heal and transform all sentient beings and the planet.

New words, new paintings, new pieces of music are always spontaneously born from me.

It looks like a creative fountain.

Groningen; 11:07, 7/11/2021

No.750, A premonition of Rebirth

I have a premonition that I'll be reborn.

It will be physical, mental, and spiritual.

I can hear the sound of the fetal movement.

Groningen; 07:07, 7/12/2021
